SUBJECT INDEX FOR VOLUME 18

A

Aboriginal rights, cumulative environmental impacts, 371
Africa, dispute resolutions, 289
Agricultural production, conservation tillage, 521
Archeologist, role in cultural environment, 117
Audit procedures, environmental impact assessment, 59
Authorization, environmental impact assessment of industrial installations, 313

C

Canada
  cumulative environmental impacts and Aboriginal rights, 371
  legislative environmental assessment, 241
Chemical plants, environmental impact assessment, 391
Coal mines, environmental impact assessment audits, 59
Conservation tillage, environmental impact assessment, 521
Contaminated land, European Union states policies, 175
Continuing actions analyses, no-action alternative, 15
Cultural environment, archeologist role, 117
Cultural influences, effects on environmental impact assessment, 95
Cumulative environmental impacts, Aboriginal rights, 371

D

Decision-making
  cumulative environmental impacts and Aboriginal rights, 371
  environmental impact assessment deficiencies in Mexico, 217
  environmental impact assessment for large chemical plants, 391
  inertia, parallel public participation, 201
  opaque system in Japan, 309
Design process, scoping phase, 351
Directive for Policy and Program Proposals, legislative environmental assessment in Canada, 241
Dispute resolutions, environmental impact assessment in Africa, 289

E

Economic activities, individual, pollution-estimation model, 417
Effluent trading, point-nonpoint, 135
Emissions, pollution-estimation model for individual economic activities, 417
Environmental assessment
  cumulative environmental impacts and Aboriginal rights, 371
  guidelines for improvement, 267
  scoping phase, 351
Environmental impact assessment
  archeologist role in cultural environment, 117
  audits, 59
  chemical plants, 391
  conservation tillage, 521
  cultural influences, 95
  deficiencies in Mexico, 217
  dispute resolution and negotiations in Africa, 289
  Europe, 3
  geographical information systems-based scoping system, 439
  industrial installations, legal comparisons, 313
  land-use ordering instruments in Venezuela, 327
  National Environmental Policy Act net (NEPAnet) and Web, 73
  opaque decision-making in Japan, 309
  pollution-estimation model for individual economic activities, 417
  rapid impact assessment matrix, 461
Environmental justice evaluation, National Environmental Policy Act (NEPA), 83
Europe, strategic environmental assessment, 3
European Union, states policies on contaminated land, 175

F

Federal Environmental Protection Agency (FEPA), environmental impact assessment in Nigeria, 159

ENVIRON IMPACT ASSES REV 1998;18:553–555
© 1998 Elsevier Science Inc. All rights reserved.
655 Avenue of the Americas, New York, NY 10010

0195-9255/98/$19.00

Fly ash deposition into landfill, rapid impact assessment matrix for environmental impact assessment, 461
France, environmental impact assessment of industrial installations, legal comparisons, 313

G
Geographical information systems-based scoping system, 439
Germany, environmental impact assessment of industrial installations, legal comparisons, 313
Global warming, hydrofluorocarbon contributions, 485
Great Britain, strategic environmental assessment, 3

H
Hydrofluorocarbon, global warming, 485

I
Indonesia, cultural influences, effects on environmental impact assessment, 95
Industrial activities, pollution-estimation model, 417
Industrial installations, environmental impact assessment, legal comparisons, 313
Inertia, decision-making, parallel public participation, 201
Institutional framework, environmental impact assessment in Nigeria, 159
Israel, geographical information systems-based scoping system, 439

J
Japan, environmental impact assessment, 309

L
Land-use ordering instruments, environmental impact assessment in Venezuela, 327
Landfill, fly ash deposition into, rapid impact assessment matrix for environmental impact assessment, 461
Legal comparisons, environmental impact assessment of industrial installations, 313
Legal framework, environmental impact assessment in Nigeria, 159
Legislative proposals, environmental assessment in Canada, 241

M
Malaysia, cultural influences, effects on environmental impact assessment, 95
Market incentives, point-nonpoint effluent trading, 135
Mexico, deficiencies of environmental impact assessment, 217
Mitigation measures, environmental impact assessment audits, 59

N
National Environmental Policy Act (NEPA)
continuing actions analyses, no-action alternative, 15
environmental justice evaluation, 83
National Environmental Policy Act net (NEPAnet), effects on environmental impact assessment, 73
Negotiations, environmental impact assessment in Africa, 289
The Netherlands, environmental impact assessment for large chemical plants, 391
Nigeria, legal and institutional framework of environmental impact assessment, 159
No-action alternative, continuing actions analyses, 15

O
Opaque decision-making, environmental impact assessment in Japan, 309

P
Parallel public participation, decision-making inertia, 201
Point-nonpoint effluent trading, 135
Pollution-estimation model, individual economic activities, 417
Project management tools, environmental assessment, 267
Protection zone, environmental impact assessment in land-use ordering instruments in Venezuela, 327
Public participation, parallel, decision-making inertia, 201

Q
Quality assurance mechanisms, environmental assessment, 267

R
Rapid impact assessment matrix, environmental impact assessment, 461
Refrigerant emissions, hydrofluorocarbon, global warming, 485

S

Scoping phase, environmental assessment, 351
Scoping system, geographical information systems-based, 439
Social impact assessment, environmental justice evaluation, 83
Strategic environmental assessment
  Europe, 3
  Great Britain, 3
Sustainability. *see* Sustainable development
Sustainable development, review, 493
Switzerland, environmental impact assessment of industrial installations, legal comparisons, 313

T

Thailand, cultural influences, effects on environmental impact assessment, 95
Tillage, conservation, environmental impact assessment, 521

U

United Kingdom, hydrofluorocarbon, global warming, 485
United Nations' Framework Convention on Climate Change (FCCC), hydrofluorocarbon, global warming, 485
U.S. Department of Engineering (DOE) National Environmental Policy Act (NEPA) Web, effects on environmental impact assessment, 73

V

Venezuela, environmental impact assessment in land-use ordering instruments, 327

W

Water environment, environmental assessment, guidelines for improvement, 267
